NEW MEXICO PUBLIC EDUCATION DEPARTMENT

Professional Learning Supports!

Addressing Student Behavior & the Use of Racial Slurs!

Available Upon Request!

Our professional learning sessions provide educators with practical tools to respond to racialized language, reinforce positive culture, and support student growth.

What This Training Offers

- Understanding Impact: Learn how racial slurs and harmful language affect student identity, belonging, and school climate.
- Restorative Approaches: Strategies that prioritize repair, reflection, and accountability over punishment alone.
- Classroom Interventions: Real-time response techniques for redirecting harmful language and guiding students toward healthier communication.
- Community Agreements: How to co-create norms with students that promote respect and cultural awareness.
- Student Empowerment: Approaches to help students self-advocate, intervene as upstanders, and support peers.
