STUDENT CULTURE CHAT SESSIONS!

Real Conversations. Real Experiences. Real Change.

Available Upon Request!

Join us for guided conversations where students come together to share thoughts, listen to others, and build a better school community. These culture chats create a safe space to talk about:

- Race, Culture, and Identity
- How Our Backgrounds Shape Our Experiences
- Respectful Language and Behavior on Campus
- How to Support One Another and Stand Against Harmful Behavior

Our goal is to:

- Strengthen understanding and empathy among students
- Celebrate our diverse stories and cultures
- Learn how to create a more respectful and inclusive school environment
- Build leadership and confidence in speaking up

Your voice matters!
