Grade level(s) to be served: _____

Amount allocated for private school services under the following (*Please note that LEAs keep control of funds and maintains administrative control over services and materials*):

Title I-A: _____

Title I-C: _____

Title II-A: _____

Title III: _____

Title IV-A: _____

General Questions:

1. Describe the services that will be offered (under either Title I Part A, *Title I Part C, Title I Part A, *Title III Part A, or Title IV, Part A). **Please note that Title III services are only for current English Learner students. Title I Part C is only for eligible migratory children or youth*.

2. What assessments were used to evaluate the effectiveness of the equitable services program provided through federal funding in the private school? Explain how the results of the assessment will be used to improve services for the new school year.

Title I Part A Specific Questions:

1. Criteria and process used to create the master list of students eligible to participate in the Title I program and how children's needs will be identified.

2. Describe how and with what frequency the program will be assessed and evaluated. Include the benchmark goal and assessments to be used. How will the results of the assessment be used to improve services?

3. Describe professional development activities and how they were determined.

4. Describe parental involvement activities and process for obtaining parental input into activities. If the district receives a total allocation of at least $500,000, then 1% of the funds allocated for services to the private school (1% of the amount on line 1 above) must be set aside for parental involvement activities. If the district receives less than $500,000, funds may be set aside for parental involvement, but this is not required.

Title II Specific Questions:

1. Teachers (s) to be served (including license #s): [Attach separate sheet if necessary]

2. Describe the services that will be offered. Identify professional development opportunities and resources that meet the needs of teachers and staff in private schools, including training on instructional best practices, curriculum development, and assessment strategies.

4. Describe professional development activities and how they were determined (High-Quality Professional Development and/or Curriculum Based Professional Development).
