Introduction

Through charter schools, the Public Education Commission (“PEC”) as Chartering Authority seeks to provide families with effective, quality educational options.

The PEC is responsible for setting and implementing chartering policies that are consistent with New Mexico charter school law, charter agreements established with schools, and nationally recognized principles and standards for quality charter authorizing. The PEC, through its authorized representative(s), will carry out the data collection and monitoring activities described in the Performance Review and Accountability System.

The New Mexico Charter Schools Act purpose:

The Charter Schools Act ... is enacted to enable individual schools to structure their educational curriculum to encourage the use of different and innovative teaching methods that are based on reliable research and effective practices or have been replicated successfully in schools with diverse characteristics; to allow the development of different and innovative forms of measuring student learning and achievement; to address the needs of all students, including those determined to be at risk; to create new professional opportunities for teachers, including the opportunity to be responsible for the learning program at the school site; to improve student achievement; to provide parents and students with an educational alternative to create new, innovative and more flexible ways of educating children within the public school system; to encourage parental and community involvement in the public school system; to develop and use site-based budgeting; and to hold charter schools accountable for meeting the department's educational standards and fiscal requirements. (§22-8B-3 NMSA 1978 *et seq*).

Performance Review and Accountability System Objectives

PEC seeks to establish a Performance Review and Accountability System that strikes the appropriate balance between charter school autonomy and chartering authority intervention. The Performance Review and Accountability System is an adaptive tool subject to continuous review and improvement so that the students in New Mexico public charter schools are effectively served.

The PEC invites New Mexico’s charter schools to be partners in the development and continuous improvement of this Performance Review and Accountability System.

The PEC is committed to providing clear expectations about charter school performance and chartering authority oversight activities. PEC objectives for charter school performance review and accountability include:

- Provide clarity about the process and timeline for collecting performance framework data
- Streamline data collection and decrease the burden on NM charter schools
- Consider overall school academic performance across a range of different indicators, including optional, unique, school-identified measures for evaluating mission-specific goals
- Ensure all data and evidence can be reliably and accurately collected and measures can be reliably and accurately evaluated
- Establish financial metrics that provide clarity about the financial health of charter schools
- Establish clear policies and procedures for how performance frameworks inform PEC actions and decisions, including a range of interventions that PEC will take in response to charter school under performance
- Provide annual performance reports that are publicly available to families and schools

Annual Performance Review Activities

PEC, through its authorized representative(s), evaluates schools on their ability to achieve academic goals with all students while maintaining financial and organizational health. Annual accountability activities are guided by state and federal compliance requirements as well as clear measures of academic progress that allow for a rigorous, state-aligned, fact-based evaluation of school performance.

Charter School Data Submissions

- Throughout the year, charter schools are required to submit academic, financial, and organizational data to PEC, various PED departments, and other governmental entities.
- Submissions are required for PEC accountability oversight and for compliance with state and federal funding and reporting requirements.
- See Appendix B for a schedule of reports consistently required by the PEC and PED; other reporting may be required if the school is notified by PED, PEC, or other government entities.

Annual School Visits

- PEC's authorized representative(s) conduct annual site visits to all schools to collect data for the performance framework evaluation and provide feedback as technical assistance. Site visits may be differentiated based on school performance, including academic, financial, and organizational performance.
- New school visits are conducted within the first 40 days after new school opening to collect data for the performance framework evaluation and to provide early feedback and intervention as technical assistance, if necessary.
- Renewal visits are conducted during the fall of the charter school's renewal year and provide additional insights to inform PEC charter school renewal decisions, especially for schools not meeting performance expectations.
- Visits can include a combination of any of the following: file audits, classroom observations, a facility review, and staff, board, and student and family interviews.
- See Appendix C for a summary of the School Visit Protocols.

Annual Performance Review

- PEC's authorized representative(s) evaluate all schools against the PEC Performance Framework annually, which is comprised of academic, financial, and organizational performance metrics.
- PEC's authorized representative(s) share initial performance framework feedback and evaluations with charter school boards and administrative leaders for review and feedback.
- PEC, through its authorized representative(s), issues any Notices of Concern or Breach related to annual performance reviews.
- PEC approves and publishes Annual Performance Reports for schools.
- See Appendix A for the current PEC Charter School Performance Framework.

Performance Framework

The PEC Charter School Performance Framework sets the academic, fiscal, and organizational standards by which PEC-authorized public charter schools will be evaluated, informing the PEC and charter school about the school's performance and sustainability. See Appendix A for the current PEC Charter School Performance Framework.

The Performance Framework consists of three separate, free standing frameworks. Performance under these three separate frameworks does not get rolled up into one overall evaluation. No one document necessarily carries more weight than any other.

Academic Framework: The academic framework includes measures that allow the PEC to evaluate the school's academic performance and assess whether the academic program is a success and whether the charter school is implementing its academic program effectively. The framework includes measures to evaluate student proficiency, student academic growth, achievement gaps in both proficiency and growth between student subgroups, and for high schools, post-secondary readiness and graduation rate. The PEC considers increases in student academic achievement for all groups of students as one of the most important factors when determining whether to renew or revoke a school's charter. The framework also includes unique, school-identified measures for evaluating mission-specific goals. These goals must be approved by the PEC to insure quality and rigor of proposed indicators and that the indicators are consistent with the purposes of the Charter Schools Act.

Based on performance across the academic indicators and measures, schools receive an overall academic tier rating that is used by the PEC in annual monitoring and renewal decisions. The academic framework has four rating tiers. Schools in Tier 1 are exceeding PEC performance expectations and are on par with or exceed the highest-performing schools in the state. Schools in Tier 4 are consistently failing to meet academic performance expectations.

Organizational Framework: The Organizational Framework primarily lists the responsibilities and duties that charter schools are required to meet through state and federal laws. The organizational framework is the primary focus of the annual school visit process. It was developed pursuant to the New Mexico Charter Schools Act and includes indicators, criteria statements, and metrics related to schools' educational program, financial management, governing body performance, school environment, and employee and student policies, including compliance with all applicable laws, rules, policies, and terms of the charter contract. For each indicator a school receives one of three ratings: "Meets Standard," "Working to Meet Standard" and "Does Not Meet Standard". Indicator ratings are assigned based on evidence that the school is meeting the criteria statement(s).

Based on performance across the organizational indicators and measures, schools receive an overall organizational rating that is used by the PEC in annual monitoring and renewal decisions. The overall rating will be either "Meets Standard" or "Does Not Meet Standard" based on cumulative performance on the organizational indicators. A school will only receive an overall rating of "Does Not Meet Standard" if the school receives "Does Not Meet Standard" ratings for three more indicators.

Financial Framework: The financial framework is currently being revised to include more effective measures of financial health. When a new financial framework is developed, school reported financial data will be evaluated on a quarterly basis and the Performance Framework will be populated with the most recent data. This internal school data is not final, but will be

used by the PEC as a preliminary evaluation for progress monitoring improvements in financial health and/or act as a flag for potential financial problems or concerns.

A final performance framework will be populated after final audited end-of-year cash amounts are available from the annual external audit. The final framework will be used to evaluate whether the school is meeting financial performance expectations for purposes of annual evaluations and renewal decisions.

The current financial framework requires schools to annually, in August, submit a completed and signed self-reported questionnaire. The questionnaire includes a series of questions about organizational performance as it relates to financial management practices. Several of the questions in the current financial framework are included in the revised organizational framework as indicators.

Intervention Ladder

PEC is responsible for holding charter schools accountable for the performance and legal compliance of charter schools under their authority. To meet this obligation, PEC has adopted an intervention ladder to communicate concerns about academic performance, fiscal soundness or legal, contractual, or policy requirements.

In the absence of evidence to the contrary, all schools are considered to be in **Good Standing**. Schools in good standing are expected to participate in routine annual accountability activities and maintain open communication with PEC and its authorized representative(s).

Notice of Concern

Schools may receive a **Notice of Concern** if the PEC and/or its authorized representative receives a verified complaint of significant concern, or if the annual performance review or site visit identifies significant questions or concerns about academic, financial, or organizational performance; such as a Tier 4 rating on the academic framework or a finding of “not meeting expectations” on an organizational indicator. PEC’s authorized representative(s) will communicate with school leaders, parents, and any other necessary stakeholders to verify complaints.

PEC will issue a Notice of Concern at a properly noticed public meeting. PEC’s authorized representative(s) shall provide schools notice that they will be appearing on the PEC’s agenda for the purposes of issuing a Notice of Concern at least 10 days prior to the meeting. As part of issuing a Notice of Concern, the PEC will establish expected outcomes and deadlines¹ that must be met by the school. The deadline established for correction shall be no less than 10 days including holidays and weekends, unless the matter is an emergency matter² in which case the deadline shall be no less than 72 hours.

Upon remedying the concern and complying with the expectations established by the PEC, the school returns to **Good Standing**. If the PEC’s expectations and deadlines are not met, the school progresses to the next level of the intervention ladder.

Notice of Breach

A school can receive a **Notice of Breach** if it fails to correct a Notice of Concern or for certain violations of law that are serious enough to justify a heightened initial response.

PEC will issue a Notice of Breach at a properly noticed public meeting. PEC’s authorized representative(s) shall provide schools notice that they will be appearing on the PEC’s agenda for the purposes of issuing a Notice of Breach at least 10 days prior to the meeting. As part of issuing a Notice of Breach, the PEC will establish expected outcomes and deadlines¹ that must be met by the school. The deadline established for correction shall be no less than 10 days including holidays and weekends, unless the matter is an emergency matter² in which case the deadline shall be no less than 72 hours.

¹ Deadlines will vary depending on the urgency of the matter and the amount of time it takes to reasonably cure the concern.

² An “emergency” refers to unforeseen circumstances that, if not addressed immediately by the public body, will likely result in injury or damage to persons or property or substantial financial loss to the public body

Once a Notice of Breach is issued, schools are required to submit a Corrective Action Plan (financial or organizational performance) or an Improvement Plan (academic performance) that details the actions and timeline that the schools will implement to correct the breach. PEC’s authorized representatives will monitor the school’s implementation of Corrective Action and Improvement Plans, and regularly update PEC on progress. Once the school has met the Notice of Breach requirements, they return to **Good Standing**. Repeated Notices of Concern or Breach may lead to increased oversight, including additional annual site visits or regular phone calls to discuss key performance indicators.

Revocation Review

Failure to meet the requirements specified in the Notice of Breach, or certain violations of law that are serious enough to justify an initial heightened response, will result in a charter school **Revocation Review**. Schools may also be subject to the Revocation Review if they receive more than one Notice of Breach in the same school year.

PEC will issue a Notice of Revocation Review at a properly noticed public meeting. Unless impractical, PEC's authorized representative(s) shall provide schools notice that they will be appearing on the PEC’s agenda for the purposes of issuing a Notice of Revocation Review at least 10 days prior to the meeting. As part of issuing a Notice of Revocation Review, the PEC will establish the actions to be taken by its authorized representative(s) and a deadline for the school to respond to the prospect of revocation. The actions of the PEC’s authorized representative may include additional visits to the school, an in-depth audit to assess the school’s educational program, and/or financial and organizational health, or other actions appropriate to determine if a revocation hearing is appropriate.

Findings from the revocation review will be presented to the PEC at a properly noticed public meeting, at which will determine whether to issue a Notice of Intent to Revoke, which sends the school into revocation proceedings. In lieu of a Notice of Intent to Revoke, the PEC may decide to grant a Notice of Breach, or a revised Notice of Breach. A revised Notice of Breach will allow a school more time to achieve expected outcomes established in an initial Notice of Breach or adjust the expected outcomes initially established by the PEC.

In extraordinary circumstances, the PEC may forgo the process outlined above and may, with proper statutory notice, consider whether to hold a revocation hearing or hold a revocation hearing.

The table on the following page provides examples regarding triggers and evidence, and actions and consequences; however, the table shall not be considered exclusive.

Revocation Review

Charter Renewal

As part of renewal consideration, PEC will consider a schools' annual school performance, school visit reports, information contained in the school's renewal application, and other relevant information in their decisions. Renewal decisions are based on the statutory standards in Section 22-8B-12(K) New Mexico Statutes Annotated.

After the final performance evaluation is completed for each year of its contract, a school will receive notice of whether it is on track for a renewal recommendation for 1) expedited renewal, 2) full renewal, 3) renewal with conditions, or 4) non-renewal. When the school has two years remaining on its contract term, the PEC's authorized representative(s) will provide the school with a Preliminary Notification of Renewal Profile. These notices are based on the school's performance profile over the contract term and the renewal performance profiles on page 11 of this Charter Performance Review and Accountability System. The PEC expects that schools will use these notices to both take action to respond to the potential renewal action by improving performance, as necessary, and to prepare and submit a response to the potential renewal action.

After final school performance data is released for the year prior to the school's renewal year, the school will receive a final notice of its renewal profile. Schools that have an Expedited Renewal Profile will have limited submission requirements and a limited site visit.

Renewal Decision Criteria

PEC decisions on charter school renewal will be based on an analysis of the following questions:

1. Is the school an academic success or making progress toward academic success? (Academic Framework)
2. Is the school an effective, viable organization? (Organizational Framework)
3. Is the school fiscally sound? (Financial Framework)

Staff providing support to the PEC will develop renewal recommendations based on the cumulative performance of the charter school over the contract term. The PEC will consider the following sources of evidence for renewal decisions, including any additional factors highlighted in the charter school renewal application.

Renewal Evidence Sources

- Annual performance reports, which constitute a report on the status in relation to meeting the academic performance, financial compliance and governance responsibilities of the charter school, including achieving the goals, objectives, student performance outcomes, state standards of excellence and other terms of the charter contract, including the accountability requirements set forth in the Assessment and Accountability Act;
- School developed reports, for schools not meeting the above standards, on the progress toward meeting the established standards;
- Evidence gathered that confirms or does not confirm the school developed reports identified above;
- A financial statement that discloses the costs of administration, instruction and other spending categories for the charter school that is understandable to the general public, that allows comparison of costs to other schools or comparable organizations and that is in a format required by the department;
- Petitions of support; and
- Facility assurances.

Renewal Outcomes

Staff providing support to the PEC will recommend one of four renewal outcomes (profiles) for PEC to consider. Although renewal recommendations will be guided by the performance profiles described below, the PEC has ultimate authority to make any renewal decision that is consistent with New Mexico charter school law.

| Renewal Decision | Renewal Performance Profile ³ | Renewal Terms |
|--|--|---|
| Expedited Renewal⁴ | Academic <ul style="list-style-type: none"> • Maintain Tier 1 or 2 rating for previous four years of the charter contract | Five-year term with no additional conditions outside normal charter contract; streamlined renewal application and review process |
| | Organizational / Financial <ul style="list-style-type: none"> • Meet Expectations for previous four years of the charter contract | |
| Full Renewal⁵ | Academic <ul style="list-style-type: none"> • Earn no Tier 4 ratings within the past three years, and • Either: <ul style="list-style-type: none"> ○ Maintain Tier 1 or 2 rating for at least three of past four years, or ○ Demonstrate consistently improving Tier rating over the last 3 years | Five-year term with no additional conditions outside normal charter contract |
| | Organizational / Financial <ul style="list-style-type: none"> • Meet Expectations for the last two years, or • Meet Expectations for at least three of past four years | |
| Renewal with conditions⁶ | Academic <ul style="list-style-type: none"> • Earn Tier 4 performance rating for two or more years during the last four years but not in both of the last two years, or • Earn Tier 3 or 4 rating for three of the past four years, or • Earn two or more Tier 3 or 4 ratings and demonstrate declines in Tier rating in any of the last two years | Three- or five-year renewal term with defined goals for school improvement on academic, organizational, and/or financial frameworks |
| | Organizational / Financial <ul style="list-style-type: none"> • Earn “did not meet” expectations for two or more years including one of the last two years | |
| Non-Renewal⁷ | Academic <ul style="list-style-type: none"> • Earn Tier 4 performance rating for past two years, or • Earn Tier 4 performance rating for three or more years during the last four years including the most recent | Recommendation for non-renewal |
| | Organizational / Financial <ul style="list-style-type: none"> • Earn “did not meet” expectations for three or more years during the last four years including the most recent year | |

³ PEC renewal decisions will be guided by performance profiles, but PEC has ultimate authority to make any renewal decision that is consistent with New Mexico charter school law.

⁴ When considering schools currently in a contract with a term of less than 5 years, the expedited renewal profile criteria are 1) Maintain Tier 1 academic rating for the contract term, and 2) maintain Meets Expectations for organizational and financial performance for the contract term.

⁵ When considering schools currently in a contract with a term of less than 5 years, the full renewal profile criteria are 1) in the academic framework either a) demonstrate a consistently improving Tier rating over the term of the contract or b) maintain at least Tier 2 rating for the contract term, and 2) earn Meets Expectations for organizational and financial performance for the year prior to the renewal year.

⁶ When considering schools currently in a contract with a term of less than 5 years, the conditional renewal profile is for schools that do not fall into any other renewal profile.

⁷ When considering schools currently in a contract with a term of less than 5 years, the non-renewal profile 1) earned a Tier 4 academic performance rating for the year prior to the renewal year or 2) earn Does Not Meet Expectations for organizational or financial performance for the year prior to the renewal year.

Annual Performance Evaluations

After the final performance evaluation is completed for each year of its contract, a school will receive notice of whether it is on track for a renewal recommendation for 1) expedited renewal, 2) full renewal, 3) renewal with conditions, or 4) non-renewal. At least one year prior to the date the school will apply for renewal, the PEC's authorized representative(s) will provide the school with a Preliminary Notification of Renewal Profile. These notices are based on the school's performance profile over the contract term and the renewal performance profiles on page 11 of this Charter Performance Review and Accountability System. The PEC expects that schools will use these notices to both take action to respond to the potential renewal action by improving performance, as necessary, and to prepare and submit a response to the potential renewal action.

After final school performance data is released for the year prior to the school's renewal year, the school will receive a final notice of its renewal profile. Schools that have an Expedited Renewal Profile will have limited submission requirements and a limited site visit.

Renewal Profile

The first stage of the formal renewal process is the preparation by the PEC's authorized representative(s) of school-specific renewal profiles. The Renewal Profiles are based on the record of the charter school's academic, financial and organizational performance as reported in their **Annual Performance Reports** and in alignment with any prior renewal or approval conditions. Renewal Profiles will be provided to the school in the late summer of the final year of the school's charter term. The profiles are based on evidence collected over the contract term and publicly available information. Schools eligible for expedited renewal will be identified during this phase. At this time in the process, all schools will be aware of the performance profile and thus the renewal recommendations from the staff supporting the PEC. The renewal application will provide the school an opportunity to submit and prepare a response to the potential renewal action.

Renewal Application by the School

The Renewal Application provides schools the opportunity to provide an overview of school progress and a response to the potential renewal action, if performance expectations have not been met during the contract term. It is the goal of the Commission, to the extent possible, to decrease the burden from the preparation of the Renewal Application.

Schools eligible for expedited renewal will not be required to submit some sections of the renewal

application. Annually, the Public Education Commission reviews and, as necessary, revises the renewal application. The current renewal application is available on the PEC website.

Renewal Site Visit

The PEC's authorized representatives will conduct at least one Renewal Site Visit during the renewal process. The purpose of the Renewal Site Visit is to test, verify and/or supplement the information provided in the school's Renewal Application. The information obtained through the Renewal Visit will be considered with all other evidence at the time of the renewal decision by the PEC. Appendix C provides more detailed information regarding site visits.

Schools eligible for expedited renewal may be eligible to receive a site visit that utilizes a modified protocol focused on gathering community feedback and verifying any outstanding performance corrections. Site visits will also be used to investigate any significant concerns that may arise during the renewal period.

Additional Requests for Information

At any time during the renewal process, the PEC and/or its authorized representatives may request additional information from the school in an effort to fully inform the renewal decision.

Final Renewal Report

Staff supporting the PEC will prepare a renewal report once all renewal review activities are completed. The report will be provided to the school at least 5 days before the matter is put to a vote by the PEC so that the school has a final opportunity to prepare and submit a response to the information in the report.

PEC Renewal Vote

The PEC reviews and votes on each Renewal at a properly noticed public meeting. The public may offer comments to the PEC during the public participation section of PEC meeting regarding each renewal. After each decision, the PEC issues a written notice to the school detailing the renewal decision.

New Contract Negotiation

When renewal is granted by the PEC, the PEC, directly or through its authorized representatives, and the school negotiate a contract for the new term. The contract negotiation will address the school mission, any material terms that limit charter activities (e.g., enrollment cap, grade levels) or material terms that establish explicit program requirements (e.g., STEAM, PBL, vocational education). The contract negotiation shall also include additional rigorous, valid and reliable mission specific indicators, which may not to be duplicative of required state assessments but must measure achievement of the school's specific mission.

Expedited Renewal

Schools that have maintained a Tier 1 or 2 rating for previous four years of the charter contract and earned a "met expectations" rating on the organizational and financial frameworks for the previous four years are eligible for an **expedited renewal process**. The expedited process will include all of the renewal activities described above, but will include a modified renewal application and a condensed renewal site visit as appropriate.

Appendix A: Performance Frameworks with Mission Goal(s)

ACADEMIC PERFORMANCE FRAMEWORK

The Academic Performance Framework answers the evaluative question: Is the academic program a success? The framework includes indicators and measures that allow the PEC to evaluate the school's academic performance and was developed pursuant to the New Mexico Charter Schools Act. This section includes indicators, measures and metrics for student academic performance; student academic growth; achievement gaps in both proficiency and growth between student subgroups; and graduation rate and post-secondary readiness measures for high schools. (Section 22-8B-9.1.A. (1-3, 6, 7) NMSA 1978).

The Academic Performance Framework includes three indicators, with several required measures, and allows for the inclusion of additional rigorous, valid and reliable indicators proposed by the school to augment external evaluations of school performance.

Description of Academic Framework Indicators and Measures

| Indicator 1: Components from NM System of School Support and Accountability. The PEC considers charter school performance on each of the components of the NM System of School Support and Accountability. | | Points | |
|--|---|--------|---|
| Measure | Description | Elem | High |
| 1.1 Math and Reading Proficiency | Math and Reading Proficiency is the percentage of students who are proficient on state assessments in math and reading. | 30 | 25 |
| 1.2 English Learner Progress Toward English Language Proficiency | English learner progress toward English language proficiency is measured by the WIDA ACCESS assessment given annually to students identified as English learners. | 10 | 5 |
| 1.3 Science Proficiency | Science proficiency is the percentage of students who are proficient on state assessments in science. | 5 | 5 |
| 1.4 Growth of Highest-Performing Students (Q4) | These growth measures are calculated separately for three student subgroups. The three student subgroups are the lowest-performing students (lowest 25%), the middle-performing students (middle 50%) and the highest-performing students (highest 25%). | 5 | 5 |
| 1.5 Growth of Middle performing students (Q2/3) | | 10 | 10 |
| 1.6 Growth of Lowest-Performing Students (Q1) | | 25 | 15 |
| 1.7 Graduation Rate | <p>The graduation measure includes 4-year, 5-year, and 6-year cohort graduation rates.</p> <p>Graduation rates are one-year lagged. Meaning, rates that are published in the school report are for the cohort that graduated by August 1 of the prior year. Students are expected to graduate in four years, however rates are calculated for 5- and 6- year graduates. Calculation of 4-year, 5-year, and 6-year cohort graduation rates uses the <i>Shared Accountability</i> method, which gives each school in which the student was enrolled in high school proportional credit for their timely or lack of timely graduation.</p> | N/A | <p>10</p> <p>5 for 4 year, 3 for 5 year, and 2 for 6 year</p> |

| | | | |
|--|---|-----|----|
| | For schools that qualify as SAM schools, an auxiliary graduation rate is computed using a senior completer method which includes only 12th grade students who are not members of the 4-year cohort. | | |
| 1.8 Growth in 4-year Graduation Rate | Improvement in the 4-year graduation rate is based on the slope of the 4-year graduation rates for the past three years. For schools that have a 4-year graduation rate that is over 90%, all points are awarded for graduation growth. | N/A | 5 |
| 1.9 Career and College Readiness | <p>College and Career Readiness (CCR) scores are determined by the percentage of the prior year 4-year graduation cohort members (this indicator is also one-year lagged) who show evidence of participating in college or career preparation, along with the proportion of those students meeting a benchmark. This indicator is also calculated using the shared accountability model.</p> <p>High school students are expected to participate in at least one college or career readiness program:</p> <ol style="list-style-type: none"> 1) College entrance exams (Accuplacer, ACT, ACT Aspire, Compass, PLAN, PSAT, SAT, or SAT Subject Test); 2) Evidence that the student can pass a college-level course (Advanced Placement, Dual Credit, or IB); or 3) Eligibility for an industry-recognized certification (Career Technical Education). <p>Points are given separately for students' participation and for their success in achieving targets.</p> <p>SAM schools are allowed use of additional indicators including ASVAB, WorkKeys, and TABE.</p> | N/A | 10 |
| 1.10 Chronic Absenteeism | Schools earn points based on the percentage of students who were not chronically absent. A chronically absent student is one who was absent from school for any reason for at least 10 percent of the days enrolled. | 5 | 5 |
| 1.11 Educational Climate Survey, Multicultural Initiatives, and Socio-emotional Learning (SEL) | The Educational Climate survey measures the extent to which classroom teachers demonstrate instructional practices known to facilitate student learning. Students answer survey questions on topics such as classroom teaching and expectations of students. | 10 | 5 |

| Indicator 2: Subgroup Performance | | Points | |
|--|--|--------|------|
| Subgroup measures are based on the school's relative performance (statewide percentile rank) compared to all NM public schools serving the same grades. Points assigned for each subgroup are averaged to calculate overall points for measures 2.1, 2.2, and 2.3. | | | |
| Measure | Description | Elem | High |
| 2.1 Subgroup Growth of Highest- Performing Students (Q4) | Students are compared to all students statewide serving the same grade levels, based on the Growth results calculated by NM PED for Q4 students. | 25 | 25 |

| | | | |
|---|---|----|----|
| 2.2 Subgroup Growth of Middle- Performing Students (Q2/3) | Schools are compared to all students statewide serving the same grade levels, based on the Growth results calculated by NM PED for Q2/3 students. | 25 | 25 |
| 2.3 Subgroup Growth of Lowest- Performing Students (Q1) | Schools are compared to all students statewide serving the same grade levels, based on Growth results calculated by NM PED for Q1 students. | 25 | 25 |
| 2.4 Subgroup Proficiency | Students are compared to all students statewide serving the same grade levels, based on subgroup proficiency rates for all eligible subgroups. | 25 | 25 |

| Indicator 3: School-Specific Goals The performance framework allows for the inclusion of additional rigorous, valid and reliable indicators (as determined by the PEC) proposed by a charter school to augment external evaluations of its performance. (1978 NMSA§22-8B-9.1(C).) | | Points | |
|--|---|--------|------|
| Measure | Description | Elem | High |
| School identified Mission Specific Goals, not to exceed two goals. | <p>Charter schools shall propose mission-specific goals that are specific, measurable and rigorous, School-proposed goals are subject to approval by the PEC and are incorporated into charter contracts. Not more than two goals will be used.</p> <p>The goals must appear on the NM Spotlight Dashboard to be measurable as a SMART goal.</p> <p><i>PEC guidance for setting school goals:</i> Use a SMART goal format (Specific, Measureable, Achievable, Relevant, and Time-bound) Include metrics and measures using the following criteria: “Exceeds standards,” “Meets standards,” “Does not meet standards,” and “Falls far below standards.” Set goals that <i>augment external evaluations of school performance</i> and do not duplicate existing framework measures. Goals must be able to be documented and supported using objective, verifiable evidence of results. Mission specific goals must be distinct from ESSA indicators 1 and 2 If using additional assessments: Proficiency and growth targets must be distinct and measured separately. Assessments need to be rigorous and reliable. The data will need to be reported on the NM Spotlight Dashboard, in a format useable by PED. Additional assessments must be aligned to school mission. Reading and math goals are already included within indicators 1 and 2.</p> <p>If two goals are included, the score on this measure will be the average of the two ratings. There are four rating categories: Exceeds = 100 pts</p> | 100 | 100 |

| | | | |
|--|---|--|--|
| | Meets = 75 pts Does not meet = 25 pts Falls far below = 0 pts | | |

Summary of Indicator Rating System and Assigned Points

Schools receive up to 100 points for each academic measure. The average weighted points across the framework are used to assign the overall rating (tier).

| Indicators | Description | Assigned Points | Total Weight? | |
|--|---|--|---------------|-------|
| | | | Elem | High |
| Indicator 1: Components from NM System of School Support and Accountability | The PEC considers charter school performance on each of the components of the NM PED ESSA Plan | The school earns points equal to the school's overall index score from the New Mexico System of School Support and Accountability. (1-100 pts) | 35% | 37.5% |
| Indicator 2: Subgroup Performance | Subgroup measures are based on the school's relative performance (statewide percentile rank) compared to all NM public schools serving the same grades. | Points assigned for each subgroup are averaged to calculate overall points for measures 2.1, 2.2, 2.3, and 2.4. (1-100 points) | 30% | 25% |

| | | | | |
|--|---|--|-----|-------|
| Indicator 3 Mission Specific Goals | Charter schools shall include mission-specific goals that are Specific, Measurable, Achievable, Relevant and Time-bound. | Points are assigned based on the average of the ratings (if there are two goals) for the goals listed in Indicator 3. (0-100 points) | 35% | 37.5% |
|--|---|--|-----|-------|

Based on performance across the academic indicators and measures, schools receive an overall academic tier rating that is used by the PEC in annual monitoring and renewal decisions.

ORGANIZATIONAL PERFORMANCE FRAMEWORK

The Organizational Framework primarily lists the responsibilities and duties that charter schools are required to meet through state and federal laws. It was developed pursuant to the New Mexico Charter Schools Act and includes indicators, criteria statements, and metrics related to schools' educational program, financial management, governing body performance, school environment, and employee and student policies, including compliance with all applicable laws, rules and terms of the charter contract (Section 22-8B-9.1A (4, 5, 9) NMSA 1978).

NACSA Principles & Standards (2012) states that,

"A Quality Authorizer implements an accountability system that effectively streamlines federal, state, and local...compliance requirements while protecting schools' legally entitled autonomy and minimizing schools' administrative and reporting burdens" (p. 16).

The organizational framework is the primary focus of the annual school visit process. The framework is structured into five categories of information. Each category has multiple **indicators** and each indicator includes one or more **criteria statements** that serve as the metric for evaluating organizational performance.

For each indicator a school receives one of three ratings: "Meets Standard," "Working to Meet Standard" and "Does Not Meet Standard" which are defined below. Indicator ratings are assigned based on evidence that the school is meeting the criteria statement(s).

Meets Standard:

The school meets the standard if it satisfies each of the criteria statements described for the indicator OR if the authorizer currently has no evidence or information to indicate the school does not meet the criteria statements.

Working to Meet Standard:

There is evidence to indicate the school does not, or at some point in the school year did not, satisfy the criteria statements described for the indicator AND within 30 days after receiving a notification of non-compliance, the school submitted evidence to demonstrate immediate correction of any outstanding matters AND submitted a corrective action plan to prevent future occurrences of the same concern.

Does Not Meet Standard:

There is evidence to indicate the school does not, or at some point in the school year did not, meet the criteria statements described for the indicator and the school failed to submit evidence of correction and/or a corrective action plan within 30 days of notification OR the school failed to implement the corrective action plan OR the non-compliance is repeated from the prior evaluation.

Schools receive an overall organizational performance rating of either "Meets Standard" or "Does Not Meet Standard". If a school receives "Does Not Meet Standard" ratings for three more indicators, the school will receive an overall organizational framework rating of "Does Not Meet Standard". Fewer than three such ratings will result in an overall rating of "Meets Standard." In addition, if a school receives a "Does Not Meet Standard", on any indicator, CSD and PEC may conduct a closer review the following year on that indicator, and/or the PEC may require the school to submit a corrective action plan in order to specify actions and a timeline to correct the performance deficiency.

FINANCIAL PERFORMANCE FRAMEWORK

Under Development

Appendix B: Annual School Reporting Calendar

Under Development

Appendix C: Summary of Site Visit Protocol

Protocols under development.

The purpose of the school visit is to evaluate whether schools are in compliance with their legal and contractual requirements and to provide technical assistance including evaluative feedback, legal references and citations, and guidance manuals and resources. The goal of this visit is to evaluate compliance in key areas and observe the program of instruction in action, as described in the charter contract and Performance Framework. There are three types of school visits conducted by the PEC's authorized representatives:

- 1.** New school visits – Within the first four months of opening, the PEC's authorized representatives visit all new schools.
- 2.** Annual visits – All schools are visited annual, generally between November and May. Annual site visits may be differentiated based on school performance, including academic, financial, and organizational performance.
- 3.** Renewal visits – In the fall of the renewal year, the PEC's authorized representatives visit schools as part of renewal activities.

Two to four staff members who are the PEC's authorized representatives will participate in site visits. Site visits generally do not last longer than a day, but the time required depends on school performance and availability of necessary data, records, and staff time. Schools will be notified in advance as to the timing of site visits.

Appendix D: Glossary of Terms

Annual Notice of Renewal Profile – is an annual notice that will be sent to the school leader and all members of the school governing body. The notice will identify the renewal profile(s) the school is on track to fall within based on its performance under the current charter term. The PEC expects that schools will use these notices to both take action to respond to the potential renewal action by improving performance, as necessary, and to prepare and submit a response to the potential renewal action.

Chartering Authority Intervention – is action taken by the Commission or its authorized representatives to notify a school that it is failing to meet its legal and contractual requirements, to prompt the school to take action to correct its own failure to meet its legal and contractual requirements, and/or to revoke or non-renew a school that has demonstrated the inability or unwillingness to meet its legal and contractual requirements. Intervention may include providing findings of non-compliance during or after a site visit, issuing a Notice of Concern, a Notice of Breach, or a Notice of Revocation Review or Intent to Revoke, monitoring the implementation of an improvement plan or corrective action plan, or not-renewing a charter school.

Chartering Authority Oversight – is action taken by the Commission or its authorized representatives to evaluate whether a charter school is meeting its legal and contractual requirements. This may include evaluating submissions from the school, investigating complaints or allegations, conducting site visits or audits, evaluating data about the school's performance, or completing performance evaluations.

Charter School Autonomy – is the right of all charter schools to determine the methods by which they achieve their legal and contractual requirements, including all performance standards. Charter School Autonomy reflects the additional flexibilities granted through any non-discretionary or discretionary waivers as defined in statute, regulation, and policy.

Intervention Ladder – is the process by which the Public Education Commission will communicate to charter schools its concerns about academic performance, fiscal soundness or legal, contractual, or policy requirements.

Final Notice of Renewal Profile – is the notice provided to the school after the final performance profile prior to renewal is released. This notice will identify the renewal recommendation the school will receive and will notify any schools of their eligibility for expedited renewals.

Legal and Contractual Requirements – are the obligations a charter school must meet based on state and federal statutes, regulations and policies, and the terms of the charter contract. These requirements include the performance expectations established in the Performance Review and Accountability System, which consists of the PEC's Academic, Organizational and Financial Performance Frameworks, Intervention Ladder, Renewal Process, and Site Visit Protocols.

Mission-Specific Goals – are required indicators that are incorporated into the Academic Performance Framework. These goals should be outcome based measures of the school's effectiveness in implementing its mission. Goals are weighted as 35% (elem/middle) or 37.5% (high) of the Academic Performance Framework

Notice of Breach – a formal, written notice issued pursuant to a vote of a majority of Commission members at a properly noticed public meeting that a school is not meeting performance expectations or has failed to comply with legal or contractual requirements and, as a result, is in breach of the contract. This notice will often, but not always, be issued after a school has been issued a Notice of Concern and has failed to meet the requirements of the prior notice. In the notice, the Commission will establish expected outcomes and deadlines that must be met by the school. Deadlines will vary depending on the urgency of the matter and the amount of time it takes to reasonably cure the concern. Once a Notice of Breach is issued, schools are required to submit a Corrective Action Plan (financial or organizational performance) or an Improvement Plan (academic performance) that details the actions and timeline that the schools will implement to correct the breach. PEC’s authorized representatives will monitor the school’s implementation of Corrective Action and Improvement Plans, and regularly update PEC on progress.

Notice of Concern – a formal, written notice issued pursuant to a vote of a majority of Commission members at a properly noticed public meeting that a school is not meeting performance expectations or has failed to comply with legal or contractual requirements. In the notice, the Commission will establish expected outcomes and deadlines that must be met by the school. Deadlines will vary depending on the urgency of the matter and the amount of time it takes to reasonably cure the concern.

Performance Review and Accountability System – consists of the PEC’s Academic, Organizational and Financial Performance Frameworks, Intervention Ladder, Renewal Process, and Site Visit Protocols. It is an adaptive tool subject to continuous review and improvement so that the students in New Mexico public charter schools are effectively served. New Mexico’s charter schools are invited to be partners in the development and continuous improvement of this Performance Review and Accountability System.

Preliminary Notification of Renewal Profile – is the annual notice provided to the school at least one year prior to the date on which it must apply for renewal. The notice will identify the renewal profile(s) the school is on track to fall within based on its performance under the current charter term and will act as notice to schools that are likely to be eligible for expedited renewal. The PEC expects that schools will use these notices to both take action to respond to the potential renewal action by improving performance, as necessary, and to prepare and submit a response to the potential renewal action.

Reliability - is a demonstration that an assessment or other measure is an externally, national- or state-normed metric (e.g. ACT, SAT, ACCESS for ELLs, Spanish IPT).

Revocation Review – is the process by which a charter school is considered for revocation of their charter. The revocation review can arise as a result of the school’s failure to meet requirements specified in a Notice of Breach, receipt of multiple Notices of Breach in the same school year, or as a result of a violation of law that is significant enough to justify immediate revocation. A Notice of Revocation Review is issued at a properly noticed public meeting and established the actions to be taken by its authorized representative(s) and a deadline for the school to respond to the prospect of revocation.

Rigor – is the demonstration that a performance goal is an ambitious but realistic target that has been established using a valid benchmark (e.g. comparison to national/state average, improvement from school historic performance).

Student Academic Growth – is the measurement of student level improvement within a school year as compared to their performance peers’ improvement in the same year on the state’s annual academic

assessments in math and reading.

Student Proficiency – is performance at grade level on the state’s annual academic assessments in math and reading. This may also include performance at grade level on other state assessments including Science, and end-of-course assessments.

Substantial Progress – is related only to academic performance, is reflected in a school’s “Renewal Performance Profile,” and makes a school eligible for full renewal. This is defined as “consistently improving performance over the last 3 years.” Inconsistent performance over the last three years shall demonstrate that a school is not making “substantial progress.”

Support – is making charter schools aware of PED resources and programs available to support their improvement or excellent performance. This may also include sharing information between charter schools about effective or best practices being implemented at effective and successful schools. This shall not include providing recommendations on the method by which the school must/can/should achieve its legal or contractual requirements, as charter schools are granted the autonomy to determine the methods they will utilize to meet their legal or contractual requirements.

Technical Assistance – is information provided to make a school aware of, or to help a school understand, its legal or contractual requirements. This can include information about why the school is not currently meeting its legal or contractual requirements. Technical assistance shall not include providing recommendations on the method by which the school must achieve its legal or contractual requirements, as charter schools are granted the autonomy to determine the methods they will utilize to meet their legal or contractual requirements.

2.6 The execution, delivery and performance of the terms of this Lease by LCPS does not and will not conflict with or result in a breach of the terms, conditions or provisions of any restriction or any agreement or instrument to which LCPS is now a party or by which LCPS is bound, resulting in the creation or imposition of a lien or encumbrance whatsoever upon any of the property or assets of LCPS.

3.5 This Lease is enforceable against the Charter School in accordance with its terms, limited only by bankruptcy, insolvency, reorganization, moratorium and other

similar laws affecting creditors' rights generally, by equitable principles, whether considered at law or in equity, by the exercise by the State and its governmental bodies of the police power inherent in the sovereignty of the State, and by the exercise by the United States of America of the powers delegated to it by the Constitution of the United States of America.

3.6 The execution, delivery and performance of the terms of this Lease by the Charter School, as of the first Base Rental Payment Date, does not and will not conflict with or result in a breach of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Charter School is now a party or by which the Charter School is bound, or constitute a default under any of the foregoing or, except as specifically provided in this Lease, result in the creation or imposition of a lien or encumbrance whatsoever upon any of the property or assets of the Charter School.

3.7 There is no litigation or proceeding pending or threatened against the Charter School or any other Person affecting the right of the Charter School to execute, deliver or perform its obligations of the Charter School under this Lease.

3.8 The Charter School will recognize a benefit by the leasing of the Leased Property pursuant to this Lease; the Leased Property is property that is necessary and essential to the Charter School's purpose and operations.

3.9 The Charter School is not aware of any current violation of any requirement of law relating to the Property.

3.11 The Charter School acknowledges that it is solely responsible for getting approval from PSFA to lease the property.

4. LEASE AND TERM. LCPS hereby leases to the Charter School and the Charter School hereby leases from LCPS the Property for five (5) years: July 1, 2018 through June 30, 2023 (hereinafter referred to as the "Initial Term"). The Charter School recognizes that LCPS retains ownership rights in the Property; however, LCPS covenants that, during the Lease Term and so long as no Event of Default shall have occurred, the Charter School shall peaceably and quietly have, hold and enjoy the Leased Property without suit, trouble or hindrance from LCPS, except as expressly required or permitted by this Lease.

5. EFFECT OF THE EXPIRATION OR TERMINATION OF LEASE.

5.1 If during the Lease Term an Event of Non-appropriation occurs affecting

the following fiscal year, then this Lease shall terminate effective of June 30th of the current fiscal year and the Charter School shall (i) vacate the Property on or before June 30th of the current fiscal year, (ii) deliver the Property to LCPS on or before June 30th of the current fiscal year and (iii) continue to pay Base Rental and all other amounts due until such date as the Charter School has vacated the Property. The Charter School shall give LCPS written notice of an Event of Non-appropriation within ten (10) days after it had occurred.

5.2 The Charter School's current five (5) year charter expires on, June 30, 2023. This Lease shall automatically terminate upon the effective date of any nonrenewal or revocation of the Charter School's charter. In such event, the Charter School shall vacate the Leased Property on or before the effective date on any nonrenewal or revocation of the Charter School's charter. The Charter School shall give LCPS written notice of a nonrenewal or revocation notification from its authorizer within ten (10) days after learning of same and written notice of the effective date of any final decision of nonrenewal or revocation of the Charter School's charter within ten (10) days after said decision has been rendered by the applicable authority.

5.3 If either party terminates this Lease as a result of the uncured default of the other party as defined in Section 15, (i) this Lease shall terminate on the date that is sixty (60) days after the non-defaulting party gives the defaulting party written notice of its election to terminate the Lease and (ii) the Charter School shall vacate the Leased Property on or before the effective date of the termination.

5.4 Upon expiration of the Lease Term or earlier termination of the Lease, all obligations of the Charter School and LCPS from after the effective date of the expiration or termination of the Lease shall terminate, except as expressly provided in this Lease. Any accrued, but unpaid obligations of the Charter School or LCPS shall continue until they are discharged in full unless the termination of the Lease is a result of revocation of the Charter School's charter in which event all obligations of the Charter School shall terminate on June 30th of that year. The Charter School shall have no right to hold over and continue to occupy the Property after the expiration or termination of this Lease.

6. RENEWAL OF LEASE TERM. This Lease may be extended or renewed, by mutual agreement of the parties and upon such new terms and conditions as may be acceptable to both parties as set forth in a written amendment to this Lease executed by both parties. Such an amendment extending or renewing the Lease Term must be executed prior to the expiration of the current Lease Term.

7. BASE RENTALS

7.1 The Charter School shall pay Base Rentals to LCPS on the Base Rental Payment Dates in an amount equal to the grant received by or awarded to the Charter School pursuant to NMSA 1978 §22-24-4 from the public school capital outlay fund as authorized by the Public Schools Capital Outlay Council ("PSCOC") in accordance with NMSA 1978 §22-24-4 (1), in monthly increments equal to 1/12th of the grant for each school year.

7.2 If requested by the Charter School, LCPS agrees to join with the Charter School in applying to the PSCOC for funds to be used for the Charter School's lease payments.

7.3 Notwithstanding any other provision of this Lease, the Charter School shall pay no Base Rent, utilities, or other amounts on any portion of the improvements to the Leased Property that has not received the occupancy permits necessary for the Charter School's operations on the Leased Property.

8. PARTIAL MONTHS. Base Rentals for any partial months will be prorated based on a thirty (30) day month.

9. USE. The Charter School shall use the Property only for the purpose of a charter school existing under the laws of the State, and a charter school's related activities, including but not limited to those activities described in the Charter School's charter.

10. LESSEE'S MODIFICATIONS, INSTALLATIONS AND ALTERATIONS. The Charter School, at its own expense, may make non-structural modifications or improvements to the Leased Property with LCPS' prior consent, not to be unreasonably withheld, if the Leased Property, after such modification and improvements, shall continue to be used as provided herein and shall otherwise be subject to the terms of this Lease; provided, however, LCPS may deny consent for any such modifications or improvements in its sole discretion if LCPS determines that (i) such modification or improvements may (A) in any way damage the Property as it existed prior thereto and (B) adversely affect or increase the demand on the mechanical, electrical, heating or cooling systems of the Property, or (ii) the value of the Property after such modifications and improvements would not be at least as great as the value of the Property prior thereto. Construction of any such modifications or improvements shall be conditioned upon the Charter School obtaining all authorizations and approvals required by the New Mexico Public Education Department, PSCOC, New Mexico Public School Facilities Authority, and local and state building authorities prior to commencement of construction. The phrase "modification or improvements" does not mean or include the installation of removable trade fixtures that do not require a construction permit for installation, all of which may be installed by the Charter School without LCPS's prior consent and shall remain the personal property of the Charter School. Unless otherwise required by law or agreed in writing between LCPS and the Charter School, all work for any modifications or improvements in or on the Property shall be performed by the Charter

School at its own cost and expense by qualified licensed contractors that provide bonds and insurance as required by LCPS. The Charter School shall only perform modifications or improvements to the Property in conformance with the terms of this Lease. LCPS agrees not to unreasonably withhold consent or otherwise prevent the Charter School from obtaining and receiving capital funding for construction, repairs and maintenance to the Property and the Charter School agrees to consult with and obtain approval from LCPS prior to seeking appropriations or other funding for capital improvements to the Property. The Charter School agrees not to interfere with or prevent LCPS from receiving capital funding for the construction, repairs and maintenance to the Property or any other property owned by LCPS. All modifications or improvements made pursuant to this section are deemed to be part of the Leased Property and owned by LCPS. LCPS shall not be responsible for any payments for such modifications or improvements. Charter School shall not be entitled to reimbursement from LCPS for such modifications or improvements, nor shall Charter School be entitled to remove such modifications or improvements upon termination of this Lease.

11. REPAIR AND MAINTENANCE OF LEASED PROPERTY

11.1 Building Structure. LCPS at its expense shall maintain and keep in good repair and condition all structural portions and all exterior parts of the building on the Leased Property, including the foundation, floor/ceiling joists, weight-bearing walls, columns, beams, roof, exterior doors, windows, including glass, portals, canals, and all outside drains, electrical, plumbing and gas supply lines, and water wells/pipes and related equipment on the Leased Property that are owned by LCPS (the "Building Structure"). In consideration of Landlord's Work and to offset the cost of maintenance, repairs and replacements for the Leased Property and Landlord's other obligations under this Section 11, the Charter School shall waive and LCPS will retain the Charter School's share of the Senate Bill 9 and House Bill 33 mill levy proceeds otherwise allocated to the Charter School pursuant to NMSA 1978 Sections 22-25-(C) and 22-26-9. The Charter School shall retain the "State Match" of Senate Bill 9 funds for the Lease Term, as well as any other all other capital or supplemental funding made available for capital improvements to which the Charter School may be entitled pursuant to applicable laws currently in place or subsequently enacted.

11.2 Facilities Master Plan. LCPS shall be responsible for all of the repairs, replacements and improvements required at the Leased Property for implementation of LCPS' Facilities Master Plan for Las Cruces Public Schools, at no additional cost to the Charter School. The Leased Property shall be included in and kept on the LCPS's Facilities Master Plan during the Lease Term. The Charter School, however, shall not be foreclosed or prevented from submitting its own Facilities Master Plan as contemplated by and consistent with the Public School Capital Outlay Act.

11.3 Building Systems and Major Repairs. LCPS shall maintain and keep in good repair and working order all mechanical, electrical, plumbing, heating, cooling systems

and equipment at the Leased Property, as well as the electrical, water, natural gas and sewer lines on the Leased Property that are owned by LCPS ("Building Systems"), at no additional cost to the Charter School. LCPS shall have no obligation to maintain or repair the electrical, water, natural gas and sewer lines owned by the respective utility providers, even if located on the Leased Property. LCPS shall also, upon the prior written request of the Charter School, perform necessary repairs and replacements of the interior of the Building that are reasonably estimated to cost Three Hundred Fifty Dollars (\$350.00) or more for each such repair or replacement. Any repair or replacement to the interior of the Building that is reasonably estimated to cost less than Three Hundred Fifty Dollars (\$350.00) shall be performed by the Charter School.

11.4 Drives, Parking Lots and Sidewalks. The Charter School, at its expense, shall maintain and keep in a good, safe, clean and sanitary condition all driveways, parking lots and sidewalks located on the Leased Property, subject to following limitation. Any repair or replacement for or affecting driveways, parking lots and sidewalks that is reasonably estimated to cost Three Hundred Fifty Dollars (\$350.00) or more shall be performed by LCPS, upon the prior written request of the Charter School.

11.5 Grounds Maintenance. LCPS shall require the tenant to maintain all playgrounds, playing fields and landscaped areas, including without limitation irrigation and lighting, located on the Leased Property (collectively, "Grounds Maintenance") as condition of the lease.

11.6 Technology. The Charter School agrees to maintain all technology and infrastructure for electronic and telecommunications systems installed in the building on the Leased Property (maintenance of the communication lines connecting to the building shall be responsibility of the communication services provider or LCPS, whichever is the owner of these communication lines).

11.7 The Charter School's Furniture, Equipment and Interior Furnishings. During the Lease Term, the Charter School at its expense shall purchase, maintain, repair and replace as reasonably necessary all school furniture, such as desks and book shelves, school equipment, such as computer work stations, and fixtures and interior furnishings of the school facilities, including without limitation carpeting.

11.8 Other Charter School Repair and Maintenance Obligations. The Charter School at its expense shall maintain and keep the entire interior of the Building (other than Building Systems and Major Repairs) in a clean and sanitary condition and good working order and repair, including ordinary, necessary and customary janitorial and custodial services and supplies. The Charter School shall be responsible for, and repair (or reimburse LCPS for the cost to repair) damage to the Leased Property resulting from misuse of the Leased Property, or acts of negligence or willful misconduct, by the Charter

School or its sub lessees, licensees or invitees (e.g. vandalism by students or licensees that the Charter School permits to use portions of the Leased Property), to the extent not reimbursed or paid by the property insurance maintained by LCPS.

11.9 Compliance with Law and Regulations. Throughout the Lease Term including any Renewal Term, LCPS shall cause the improvements to the Leased Property that are LCPS' obligation to maintain to be maintained and repaired in compliance with all applicable federal, state and local laws, regulations, codes and ordinances governing the physical condition of the Leased Property and any repairs thereto ("Laws"), including those relating to health, safety and the environment; and all requirements of all insurance companies writing property insurance policies covering the Leased Property or any part or parts thereof; regardless of whether any of the foregoing requirements are now in force or hereafter become enacted and made applicable to the Leased Property, except to the extent that any such failure to cause the Premises to comply with applicable Laws is caused by the School. LCPS, at its expense, shall perform any repairs to the Leased Property required by reason of such Laws. LCPS shall pay all costs, expenses, fines, penalties or damages ("Penalties") that may in any manner arise out of or be imposed because of the failure of the Leased Property to comply with Laws, unless the failure to comply with Laws is caused by the Charter School. LCPS shall not be required to pay any Penalties that are imposed because of the failure of the Leased Property to comply with Laws if the failure to comply is caused by the Charter School, which Penalties shall be the responsibility of the Charter School. LCPS reserves the right upon notice to the Charter School and at all reasonable times to enter the Leased Property for the purposes of inspecting the Leased Property and performing all work as may be necessary to assure compliance with Laws and to perform the maintenance and repairs to the Leased Property that LCPS is required or permitted to perform, subject to reasonable school safety or security requirements established by the Charter School.

11.10 Limits to LCPS' Contribution Towards Maintenance and Repairs. LCPS agrees to provide the maintenance and repairs to the Leased Property required by the terms of this Lease within a reasonable period of time; provided, however, necessary or desirable repairs and maintenance of the Leased Property will be prioritized along with the other Las Cruces Public Schools' properties in a reasonable manner by LCPS, with equal consideration given to the Leased Property and all other Las Cruces Public Schools' properties in the process of prioritizing the needs of the various properties. Without limiting the foregoing, LCPS will include the Leased Property in LCPS' Facility Master Plan in accordance with Section 11.3 and in LCPS' facility management information system and consider the maintenance and repair needs of the Leased Property on a par with all other Las Cruces Public Schools' properties, in a manner consistent with LCPS' Facility Master Plan and the funding available for the implementation of the Facility Master Plan.

12. UTILITIES AND INSURANCE.

12.1 LCPS's Property Insurance. LCPS at its expense shall carry property insurance through the New Mexico Public School Insurance Authority ("NMPSIA") insuring the Leased Property at its full replacement value throughout the Lease Term, including any Renewal Term, and insuring all of its personal property, including any fixtures owned by LCPS, located at the Leased Property.

12.2 Charter School's Property Insurance. The Charter School at its expense shall insure itself against loss or damage to the Charter School's personal property, including fixtures, owned by the Charter School located at the Leased Property. The Charter School shall, at its own expense, obtain and maintain all other insurance coverage required of it pursuant to Section 6.20.2.20 NMAC, including without limitation adequate commercial general liability insurance and workers compensation insurance.

12.3 Casualty Loss. If during the Lease Term, including any Renewal Term, the Leased Property is rendered unusable by the Charter School as a result of fire or any other casualty, whether in whole or in part, and the Charter School vacates the Leased Property or portion thereof affected by casualty damage, then the Charter School's obligation to pay rent shall abate during such period in proportion to the Charter School's loss of use of the Leased Property but only to the extent that the Charter School actually vacates the Leased Property or portions thereof. In the further event that restoration of the Leased Property is impossible within ninety (90) days after such occurrence, then the Charter School may terminate this Lease upon sixty (60) days prior written notice to LCPS.

12.4 Utilities Payable by Charter School. The Charter School, at its expense, shall pay all the charges for utility services to the Leased Property, including water, electricity, natural gas, telephone and refuse collection. The Charter School shall pay utility charges directly to the charging entity.

13. INSPECTION OF THE LEASED PROPERTY. LCPS and its duly authorized agent shall have the right (but not the obligation), on reasonable advance notice to the Charter School, at all reasonable times, at its expense, to examine and inspect the Leased Property (subject to such regulations as may be imposed by the Charter School for safety or security purposes). Upon reasonable advance notice, LCPS and its duly authorized agent shall also be permitted (but shall have no obligation), at all reasonable times, to examine the books, records, reports and other papers of the Charter School with respect to the Leased Property.

14. INDEMNITY AND RELATED PROVISIONS.

14.1 The Charter School, not LCPS, shall be liable for any claims attributable to any injury to any person, or for any loss of or damage to any property (including damage to property of the Charter School or any third party)

occurring on the Leased Property from any cause whatsoever ("Claims"), except to the extent caused by the negligence or willful misconduct of LCPS or its employees, agents, contractors, licensees or invitees, or from LCPS's breach of its obligations under this Lease. To the extent permitted by law and subject to the immunities provided by law, including those provided in the New Mexico Tort Claims Act, the Charter School shall indemnify, defend and save harmless LCPS, its officers, agents, employees and contractors from all losses, damages, fines, penalties, liabilities and expenses (including LCPS' personnel and overhead costs and attorneys' fees and other costs incurred in connection with such Claims, regardless of whether claims involve litigation or bankruptcy) resulting from any injury to any person or from any loss of or damage to any property occurring on the Leased Property and attributable to the acts or omissions of the Charter School, its employees, agents, contractors, licensees or invitees or to the Charter School's breach of its obligations under this Lease. The Charter School agrees that, to the extent permitted by law and subject to the immunities provided by law, the foregoing indemnity specifically covers claim and actions brought by its employees against LCPS. The indemnification provided for in this Section with respect to acts or omissions during the Lease Term shall survive the termination or expiration of this Lease. The Charter School shall promptly notify LCPS of casualties or accidents occurring on or about the Leased Property. Notwithstanding the foregoing, if Claims arise from the concurrent negligence of LCPS and the Charter School or their respective employees, agents, contractors, invitees and licensees, the Charter School shall indemnify LCPS only to the extent of the Charter School's own negligence or that of its employees, agents, contractors, invitees and licensees, to the extent permitted by law and subject to the immunities provided by law. Nothing in this section waives the immunities granted by statute to LCPS or the Charter School.

14.2 To the extent permitted by law and subject to the immunities provided by law, including those provided in the New Mexico Tort Claims Act, LCPS shall indemnify, defend and save harmless the Charter School, its officers, agents, employees and contractors from any claims attributable to any injury to any person, or for any loss of or damage to any property (including damage to property of LCPS or any third party) occurring on the Leased Property to the extent caused by the negligence or willful misconduct of LCPS or its employees, agents, contractors, licensees or invitees, or from LCPS' breach of its obligations under this Lease ("Indemnified Claims") (including the Charter School's personnel and overhead costs and attorneys' fees and other costs incurred in connection with such Indemnified Claims, regardless of whether the Indemnified Claims involve litigation or bankruptcy) but only to the extent attributable to the negligent acts or omissions or willful misconduct of LCPS, its

employees, agents, contractors, licensees or invitees or to LCPS' breach of its obligations under this Lease. LCPS agrees that, to the extent permitted by law and subject to the immunities provided by law, the foregoing indemnity specifically covers claim and actions brought by its employees against the Charter School. The indemnification provided for in this Section with respect to acts or omissions during the Lease Term shall survive the termination or expiration of this Lease. Notwithstanding the foregoing, if Claims arise from the concurrent negligence of LCPS and the Charter School or their respective employees, agents, contractors, invitees and licensees, LCPS shall indemnify the Charter School only to the extent of LCPS' negligence or the negligence of its employees, agents, contractors, invitees and licensees and only to the extent permitted by law and subject to the immunities provided by law.

15. DEFAULT; EVENTS OF DEFAULT DEFINED

15.1 Any of the following shall constitute an "Event of Default" under this Lease:

(a) failure by the Charter School to vacate the Leased Property by the end of the current fiscal year after an Event of Non-appropriation (as defined above) has occurred affecting the following fiscal year;

(b) any sublease, assignment, encumbrance, conveyance or other transfer of the interest of the Charter School in all or any portion of the Leased Property made without written approval by LCPS, which approval may be granted or withheld in its sole discretion; or

(c) failure by either party to observe and perform any other covenant, condition or agreement on its part to be observed or performed for a period of thirty (30) days after written notice for a failure that can be cured by payment of money (i.e., a "Monetary Default") and forty-five (45) days after written notice for a default that cannot be cured by the payment of money ("Non-Monetary Default"). If it is not possible for a Non-Monetary Default to be cured within a 45-day period, then the non-defaulting party shall not withhold its consent to an extension of such cure period for up to ninety (90) days if corrective action was promptly instituted prior to the expiration of the 45-day period and diligently and continuously pursued.

15.2 The provisions of this Section are subject to the following limitations:

(a) the Charter School shall be obligated to pay Base Rentals and Additional Rent only during the Lease Term and any period thereafter during which it continues to occupy the Leased Property; and

(b) if performance of any covenant, condition or agreement under this Lease is delayed as a result of an event or circumstance beyond the control of a party (a "Force Majeure Event"), which shall include without limitation governmental actions or inaction (including a failure of the PSCOC timely funding distributions of lease assistance payments to the Charter School), inclement weather, acts of god or any other event or circumstance beyond the control of the affected party, then the time for performance shall be extended day- for-day for each day that the performance is unavoidably prevented by the Force Majeure Event.

16. REMEDIES ON DEFAULT.

16.1 Whenever any Event of Default occurs with respect to this Lease, the non-defaulting party shall notify the defaulting party of said Event of Default in writing of the default and include in the notice of default that the party has thirty (30) days to cure a Monetary Default and forty-five (45) days to cure a Non-Monetary Default, subject to unavoidable delay caused by Force Majeure Events (as defined above). A party shall not exercise any remedies available to for an Event of Default until the applicable cure period provided for in this paragraph has elapsed. A non-defaulting party shall not impair the defaulting party's opportunity to cure the Event of Default.

16.2 If a noticed Event of Default is not cured within the time allowed then the non-defaulting may elect to pursue any remedy available at law or in equity, including without limitation any one or any combination of the following remedies:

(a) terminate the Lease by written notice to the other party, with such termination being effective at least sixty (60) days after the date of the written notice, and recover damages for the breach of this Lease. The Charter School shall vacate the Leased Property as of the effective date of the termination;

(b) with respect to a default by the Charter School, terminate the Charter School's possession of the Leased Property by written notice to the Charter School, with such termination being effective at least sixty (60) days after the date of the written notice, reenter the Leased Property and re-lease the Leased Property on account of the Charter School and apply the collected rents to the costs of collection and re-leasing and then to any unpaid Base Rentals, Additional Rent and other charges, which is then due and payable, or which may thereafter become due and payable;

(c) cure the default at the defaulting party's expense and, with respect to a LCPS default, withhold, reduce or offset such amount against any payments of Base Rent, Additional Rent or any other charges due and payable to LCPS under this Lease;

(d) enforce any provision of this Lease by seeking an equitable remedy including, but not limited to, enforcement of the restrictions on assignment, encumbrance, conveyance, transfer or succession under this Lease by specific performance, writ of mandamus or other injunctive relief; and

(e) take whatever action at law or in equity may appear necessary or desirable to enforce its rights in and to the Leased Property under this Lease.

17. HOLDOVER. Any holding over by the Charter School after the expiration or termination of the Lease Term, including any Renewal Term, shall be construed as a tenancy at sufferance terminable by LCPS at any time with thirty (30) days prior notice, and subject to all of the covenants, conditions, provisions and obligations of this Lease, including without limitation the obligation to pay Base Rentals and Additional Rent.

18. ASSIGNMENT AND SUBLETTING. The Charter School shall not assign the Lease or sublet the Leased Property or permit a third party to use and occupy the Leased Property without LCPS's prior written consent, which may be granted or withheld in its sole discretion, except as provided in the following sentence. The Charter School may make portions of the Leased Property available for events sponsored by the Charter School or LCPS without charge and may make portions of the Leased Property available to individuals and organizations for private events, for a reasonable fee, subject to and in compliance with LCPS' building use policies and procedures applicable to the use of LCPS facilities and other terms and conditions that may be imposed by the Charter School (e.g., sufficient cash damage deposits, restrictions on amplified sound, etc.). Any prohibited assignment, Lease, license, use permit or occupancy permit shall be void.

19. WAIVER. Failure of LCPS or the Charter School to insist upon the strict performance of any provision or to exercise any remedy shall not be construed as a waiver of the future performance of any such provision or the right to exercise such remedy. No provision of this Lease shall be deemed to have been waived unless such waiver is in writing and signed by the waiving party. No payment by the Charter School or receipt by LCPS of an amount less than the Base Rentals shall be deemed to be other than on account of the most delinquent amount of Base Rental, Additional Rent or other amounts then unpaid, nor shall any endorsement or statement on any check or any letter accompanying any check or payment of Base Rentals be deemed an accord and satisfaction, and LCPS may accept such check or payment without prejudice to LCPS's right to recover the balance of such Base Rentals or other amounts or pursue any other remedy provided in this Lease. Neither acceptance of the keys nor any other act or thing done by LCPS or any agent or employee of LCPS during the Lease Term, including any Renewal Term, shall be deemed to be an acceptance of a surrender of the Leased Property, which may be implemented only by an agreement in writing signed by LCPS, accepting or agreeing to accept such a surrender.

20. SIGNAGE. With LCPS' prior written approval, the Charter School may install signage on the Leased Property or modify the existing signage on the Leased Property, at the Charter School's sole expense, so long as the signage complies with applicable governmental regulations.

21. REQUIREMENTS FOR LESSEE'S RENEWAL. The Charter School acknowledges that the Charter School will only be allowed to renew the Lease if there is no uncured default under the terms of this Lease. The Charter School hereby acknowledges that the Charter School has assumed all of its obligations for compliance with this Lease.

22. NON-APPROPRIATION - BATEMAN ACT. In accordance with NMSA Section 6-6-11 and the New Mexico Constitution, Article IX, Section 11, if the performance of any of LCPS' obligations under this Lease require the expenditure of funds those obligations are contingent upon sufficient legislative appropriations and authorization being made by LCPS for the performance of this Lease; provided however, such lack of sufficient appropriations and authorization shall not entitle LCPS to terminate this Lease. Nothing in this Section shall be interpreted as limiting the Charter School's right to terminate this Lease should an Event of Non-Appropriation occur with respect the Charter School, in accordance with Section 5.1 above.

23. MISCELLANEOUS PROVISIONS.
